

Alan Harwood
Member At-large

Alan Harwood is the Director of Urban Planning and a Vice President at AECOM with more than 30 years of experience. Alan has successfully completed dozens of high-profile projects involving planning, design, and approval delivery services related to urban development, sports facilities, community revitalization, memorials, open space, and public infrastructure. His projects have received more than 30 local and national professional awards.

Prior to AECOM and its legacy firm ED&A, Alan worked for a public planning agency, an engineering/survey firm, and a commercial builder. He has a Masters in Urban and Regional Planning from George Washington University and a Bachelor's degree in Economic Geography from the University of South Carolina. Alan has served on the chapter board of Lambda Alpha since 2007.
